WHY THIS RAFFLE MATTERS

Junior Achievement's purpose is to inspire and prepare young people to succeed in a global economy. We let them know it's possible to invest in their future, to gain a better understanding of how the world works, and to pursue their dreams. Since 1942, our in-class and experiential learning programs have been a force for Greater Cleveland K-12 students and their trajectory toward success.

Your support guarantees our ability to continue our life-changing programming for our students and community.
